business, residential
& commercial management

Thank You for Giving Barco Finance the Opportunity to Present Our Services

Taking on a business or property venture can be challenging without the right support. We understand the difficulties of starting out. We provide integrated solutions, giving you the opportunity to have a senior operational team without the delay, cost, and risk that comes with sourcing full-time employees.

Your goals are our goals —Let's work together

EMPOWERING YOUR JOURNEY OF GROWTH

Education

Comprehensive Training: Targeted workshops, strategic education, and practical skill development in business operations, real estate investment, and financial literacy.

Strategic Planning

Tailored roadmaps guiding property & business growth, aligning organisational goals, and driving sustainable strategic development.

Finance

Comprehensive mortgage broking and financial management solutions tailored to optimise client investment strategies and financial outcomes.

Compare Products & Services

We simplify the process by breaking down costs, features, and benefits to help you find the best value for your needs. With side-by-side comparisons, you save time, money, and stress. Make informed choices with confidence—comparison made easy.

Negotiations

We handle all the negotiations for you, ensuring you get the best deal without the hassle. From start to finish, we take care of everything so you can save time, money, and stress. Let us negotiate with confidence on your behalf.

Continued Support

Our team provides property & business owners and their teams with the solutions they need to successfully run and grow their operations.

SERVICES ENHANCING YOUR BOTTOM LINE

Business Start-up

We support aspiring business owners by simplifying the complexities of starting a business, from where to begin to how to structure for success.

Bookkeeping, Accounting and loan Management

We help ensure your books are accurate, compliant, and current. We also collaborate with our stakeholders so you're well-positioned to grow.

Technology Setup & Support

We help new businesses get started on the right foot with email, file sharing and collaboration tools tailored to their needs. By putting strong, reliable IT foundations in place from day one, we make sure you can focus on growth without worrying about tech headaches or security gaps.

Coaching

We simplify the process by breaking down costs, features, and benefits to help you find the best value for your needs. With side-by-side comparisons, you save time, money, and stress. Make informed choices with confidence—comparison made easy.

Training & Development

Our educational services support industries by building a more skilled and capable workforce. We focus on practical, real-world training, ensuring that professionals can effectively utilise their new skills to meet industry challenges and contribute to business success.

Insurance

Finding the best insurance and utility plans is easier with our team of experts. We provide a personalized "deep dive" to compare prices, coverage, and service options from a wide network of providers. By giving you all the information you need, we empower you to make smarter choices and save money, all with the support of a real person.

Utilities

Navigating utilities can be a pain. That's where we come in. We work with a network of trusted utility partners to help you compare and secure the best deals on energy, internet, and more. We simplify the entire process, so you can make smarter choices and get connected without the hassle.

DIGITAL SOLUTIONS TO ACCELERATE GROWTH

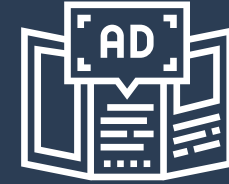

Website Design

A creative agency specialising in custom web design, delivering responsive, user-friendly websites that enhance brand presence and drive online engagement.

Social Media Management

A results-driven service offering comprehensive social media management, creating tailored strategies, engaging content, and performance tracking to grow brand awareness and foster audience connections.

Print Advertising

A full-service print advertising provider, designing impactful, high-quality print materials that effectively communicate your message and drive customer engagement across various platforms.

Logo Design

A creative studio focused on crafting unique, memorable logos that capture your brand's essence and leave a lasting impression on your target audience.

Search Engine Optimisation

A data-driven SEO service that improves search engine rankings, enhances website visibility, and drives organic traffic with targeted optimisation strategies tailored to your business goals.

Content Marketing

A strategic content marketing service that produces valuable, high-quality content designed to attract, engage, and convert your target audience while strengthening your brand's authority.

Testimonials

I can't speak highly enough of Justin and his team at Barco consulting group. What truly sets them apart is their genuine commitment to getting the best outcome for their clients, it's a far more than just a service and done approach. Justin personally provided invaluable guidance, helping me thoroughly understand a career specifically in mortgage broking and confidently make my next move within that field. If you're looking for dedicated business or career advice, particularly within specialized areas like mortgage broking, I wholeheartedly recommend the Barco group

Matthew Johnston

I highly recommend Justin from Barco Consulting for any educational training and assessment projects. His professionalism, expertise, and commitment to excellence significantly contributed to the quality and integrity of our competency units. Thank you, Justin, for your outstanding work!

Leon D'Souza
Head of Vet Product
Australian Institute of
Management (AIM)

I am writing to express my appreciation for the professionalism and exceptional support provided by Justin during our working relationship. Justin is a trusted trainer, having worked with Kaplan Professional as an assessor. In addition, he supported Kaplan's content design and compliance team to ensure that the content was up-to-date and met the unit of competency standards. I recommend Justin without hesitation to the finance education and mortgage broking industries.

David Montgomery-
Kaplan Professional

I had an excellent experience with Justin from Barco Consulting . His team is exceptionally professional, knowledgeable, and dedicated to delivering results. From the initial consultation to the final implementation, they demonstrated a deep understanding of our business needs and provided tailored solutions that exceeded my expectations.

Fernanda Soto
Partner Marketing Manager
NCS Group

I highly recommend Justin's services. He has so much knowledge and experience in this industry. I wouldn't trust anyone else to help me buy my own property. Thanks, Justin :) Pricila

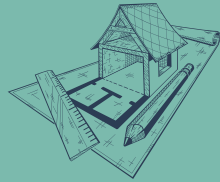

Justin has been amazing to deal with. His knowledge of franchise finance, and how we can set that up, along with home loan options, has been very helpful. He is a great mortgage broker to deal with,.

James Angus
CEO
